St. Pats Dash
Leprechaun Lap Course Textual Description

The annual Leprechaun Lap, taking place at 8:30am, prior to the Dash will begin at the start line of the 5K race, located above Fisher Pavilion, at the southwest corner of the Seattle Center Armory. From here - kids will wind their way throughout the Seattle Center grounds, passing the Chihuly Garden before running under the Space Needle. From here - they'll run on the sidewalk of Broad St and 5th Ave, passing next to MoPop. After passing MoPop all kids hit the home stretch along Harrison Ave, passing by the Seattle Center Playground and Armory before finishing at the finish line, located next to the International Fountain! After the kids complete their lap, they're more than welcome to join family for the 5K free of charge.

Parents - don't forget, you're welcome to accompany your kids along the Leprechaun Lap as well!
